Very High Visibility Gateway Arch-facing Property:

This is a Gateway Arch-Facing property waiting to be repurposed as office, boutique hotel, restaurant, apartments or a banquet/wedding/meeting facility.

A midcentury modern building designed by HOK, this property is formerly the Washington University Engineer's Club.

3 Floors totaling ~17,000 square feet of existing meeting and banquet space in need of some renovation -- this site is being offered to tenants at VERY low costs/aggressive terms.

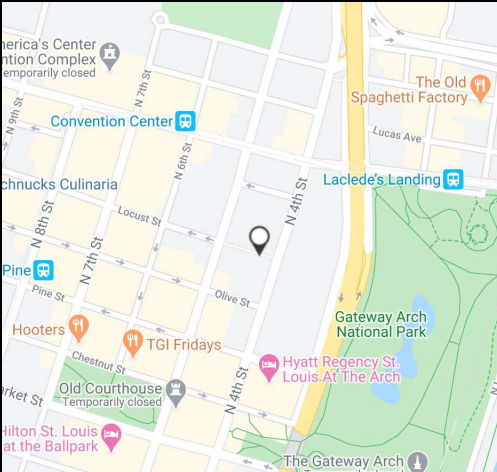

Space contains an existing amphitheater, commercial kitchen, bar, passenger elevators, dumbwaiters and more.

There is a Memorial Drive entrance/lobby and valet area as well as plentiful
